

## Call for Applications

### FOR A HEALTHY UNIVERSITY – STUDENT PROGRAM APPLICATION

The Student Union, the Rector's Cabinet of the University of Pécs, and the Student Services Center announce a program grant competition for university students, registered student organizations, and independent student groups (hereinafter: student organizations) to implement programs that contribute to:

- the diversity of university sports life,
- the health development of students,
- the involvement of both sport-oriented and non-sport-oriented student organizations,
- increasing community activity and strengthening commitment to sports,
- strengthening the UP Sport brand, implementing UP Blue Zone programs, within a university-centered approach.

#### Eligible applicants:

- sport-oriented student organizations,
- non-sport-oriented student organizations that integrate sport or movement-based elements into their programs,
- Dormitory Committees,
- individual student applicants, health and sports ambassadors.

Applicants must declare that, in the event of successful funding, the given organization or student will cooperate with the Rector's Cabinet of the University of Pécs during the 2025/2026 academic year as a Student Ambassador of the Healthy University program.

#### Available budget:

The total budget available for the program is HUF 5,000,000, provided by the Rector's Cabinet of the University of Pécs.

#### Eligible activities:

- organizing sports programs,
- organizing educational and health-related programs,
- sports equipment development,
- student scholarships, extra remuneration for lecturers.

The planned project budget may be allocated as follows: up to 80% for equipment procurement, up to 60% for service procurement (excluding venue rental), up to 30% for venue rental services, and up to 40% for personnel-related payments (such as scholarships, honoraria, etc.).

The maximum grant amount available is HUF 700,000 for student organizations and HUF 350,000 for individual applicants.

**Application submission method:**

Applications must be submitted electronically to [elnokititkarsag.ehok@pte.hu](mailto:elnokititkarsag.ehok@pte.hu) by filling in the application form and the budget annex. Please use the following subject line for the email: “Healthy University Student Application”

**Application period:**

September 10, 2025 (Wednesday), 12:00 – September 24, 2025 (Wednesday), 12:00

**Evaluation criteria:**

The evaluation of applications and communication with applicants will be carried out by a 3-member Evaluation Committee. One member each will be delegated by the Student Union, the Rector’s Cabinet, and the Student Services Center.

Applications will be assessed based on the following criteria:

- Relevance of the project content to the University of Pécs’ sport and health strategy objectives. (0-10 pont)
- Implementation of a university-centered approach, particularly whether the program is open to students from all faculties. (0-5 pont)
- Degree of student involvement, including the planned number of participants, as well as the diversity and accessibility of the target groups. (0-5 pont)
- Sustainability of the project and its expected long-term impact on the university community. (0-5 pont)
- Transparency, detail, and proportionality of the planned expenses in relation to the project goals. (0-10 pont)
- Innovative efforts and novel approaches in the field of sports and/or health development. (0-5 pont)

The Evaluation Committee will make its decision within 15 days.

**Disbursement of funding:**

Professional and administrative support for the implementation of funded projects will be provided by the Student Services Center and the PTE OIG Sports Office. The program implemented within the framework of the application must comply with the provisions of the PTE Organizational and Operational Regulations, in particular with the regulation on “the organization of student events and services provided to students.”

Pécs, 2025.09.09.
