Submit request

In order to continue the application, click on the „Register” button to be able to fill the necessary forms.

- A new page will be opened and on that page you will be able to fill the Dormitory Application Form. If you do not live in a dormitory or rent a flat/room and you only want to apply on the basis of your education points, select the option "no" for the social subscore. If you want a social subscore, select “yes”, you will also need to fill Social status assessment form. Please take note that you may be eligible for all three of the subscores: Social, Academic, Community subscore. This means, that you can tick all three „yes” boxes below simultaneously.

Admission subscores

a) Social sub-score:

Yes No

b) Academic subscore:

Yes No

Average of the Corrected Credit Index (CCI) of the last completed semester 2024/25/1 used for the calculation:

c) Community subscore:

Yes No

If you want a social sub-score, tick the questions below and fill the Social status assessment form.

Admission subscores

a) Social sub-score:

Yes No

Do you want to accept the previously established score for your application for a regular social scholarship / application for a social situation assessment form for the spring semester of the academic year 2024/2025? (Social score:)

Yes No

By pressing the „Next page” button you will be directed to the next page.

After finalizing the document you will have a chance to review the form in a picture format. The application will not be submitted at this point yet. So this is a point which represents your choices and shows what you selected so far. If you want to correct something, press „Previous Page”.

The final step is to hit „Next Page” and „Submit request” which is going to be available at the end of the procedure only.

The procedure of filling the Social status assessment form

Social status assessment form is available under the Administration/Requests/ Request fill.

If you live in a dormitory or rent an apartment, follow the steps below to fill in the forms.

I./1. Applicant's data concerning housing circumstances

a) The applicant is registered at the same address with her/his provider(s)/guide(s):

Yes

No

Show filling help

b) In case the applicant is not registered at the same address with her/his provider(s)/guide(s) or the applicant does not have a provider/guide, then:

- lives in an apartment
 lives in her/his own flat
 lives in a dormitory
 courtesy user of a flat (he/she lives free of charge in a property he/she does not own)

Show filling help

I./2.b). Data related to the self-supporter's expenses

(it is only fillable solely in case of marking "No" at the I./1./a. point)

a) Expenses per capita: ⓘ

(the applicant's child(ren) must be disregarded in the calculation)

Show filling help

In the II. point your dormitory/flat address has to be selected and filled as the illustration shows.

II. Data related to the distance between the place of education and the applicant's home

Applicant's training premise:: Pécs

a) Applicant's home address:

Registered address:

- Address in Hungary Address out of Hungary but in Europe Address out of Europe

b) The applicant's home address:

- Same as the training location Different from the training location

Distance: ⓘ km

c) One-way trip's length: (hour:minute)

d) The applicant commutes regularly between the place of education and her/his home address, over and above the travel time does not exceeds the 2,5 hour per trip:

- Yes No

Show filling help

If you do not have medical expenses, the III. point should be filled by 0s at every section available. The IV. point asks for information about your social and family data Some of the questions concern Hungarian students only. In these cases select no as your answer.

The final step is to hit „Next page” and „Submit request” which is going to be available at the end of the procedure.

Print the application

If you followed the given instructions carefully the only thing left is to print the application form and the social status assessment form.

Forms are available under the Administration/Requests/ Submitted request. After hitting the „Details” you can select „Download request” and it will give you the correct, PDF form.
